

March 2021
Tokyo Metropolitan Government

Letter to “Request for cooperation concerning logistics during Tokyo 2020 Olympic and Paralympic Games towards shippers and logistics operators concerned.”

We have released a letter to shippers (for arrival/departure) and logistics operators along with the Tokyo Organising Committee for the Olympic and Paralympic Games and related government ministries towards fully progressing efficient logistics for the Tokyo 2020 Games as per attached.

We hope the business organisations will spread towards all concerned members.

For companies concerned, we hope you will share towards business partners.

For any inquiries and opinions related to the Games, please contact the following.
